GB GUP SHUP – AUGUST

Since March - gob-smacked, dejected, rejected, accepted, bumbled, blundered, learnt and adapted.....we went through all those phases.....but we keep moving.....even if it was by inches at a time.

Come September, and we are at lockdown 5.0! As with most things, it's a two-sided coin. While we have 'freedom' we have greater responsibility – towards ourselves and the society we live in. So it is masks on when stepping out of the house, SD, SD SD(Social **D**istancing), washing hands often – keep your head and your health.

Meanwhile....a kutti re-cap of August....

GB- Caregivers Connect on.....(13.8.2020)

It was an afternoon charged with emotion, shedding of copious tears but inhibitions as well – a very heart-warming sharing and offering of support. It was universally accepted that though life threw an extra dose of challenges at some, it did make them strong and determined to do their utmost for their children.

Rations were distributed to deserving families.

GB Bandwagon

We thank our WINGS Chandini, Namitha's children Arnav and Guha for keeping our child-patients engaged through storytelling, art & recreational activity(via phone).

On 31.8.2020 - GB organized a re-boot webinar for the Bandwagon team to come up with new ideas for the new normal. We should roll out a new project very shortly – so watch out for new volunteering opportunities.

GB – Webinars Attended

- 20.8.2020 – GB Team attended a webinar on “Why we need to talk about death” organized by Pallium India.
- 25.8.2020 – GB WINGS attended a webinar on Fundraising skills organized by GiveIndia
- GB WINGS (Core Team) attended a webinar organized by Rochelle D'Souza Yepthomi, Manager, Psychosocial Programs, YRG Care Camp Rainbow on diabetic care and COVID stress.

Donation Pics

All good things must come to an end – so must Gup-shup, as we return to our regular routine and functioning. However, we will be sending everyone a **Quarterly Report**, so that you don't miss out on the excitement.
